

Generations Multi Academy Trust Goffs Academy

Teacher of Art and Technology

To start September 2024

Information for Applicants

Teacher of Art and Technology

REQUIRED FOR SEPTEMBER 2024

We are seeking a teacher of Art and Technology who:

- will support the Heads of Department (Technology, Art and Photography) in ensuring high standards across the department
- will take full ownership for delivering high quality lessons in Art and Technology
- has a passion for learning and teaching
- delivers outstanding and inspirational lessons
- believes in the right of every student to fulfil their potential
- has a positive, can do attitude with colleagues and students
- has excellent interpersonal skills and is a real team player

In return, Goffs can offer you:

- A thriving, successful and hugely popular department
- A new £20million school building, opened in January 2017, with additional new facilities which opened in April 2022
- A school described by Ofsted as being one where “students work together exceptionally well,” and where “students are overwhelmingly enthusiastic about school”
- Outstanding, highly personalised professional development opportunities
- Outstanding career development including dedicated leadership development and coaching in a national “Leadership” school
- A forward looking, innovative and oversubscribed working environment

Please note that flexibility regarding the number of working days per week will be considered, for the right candidate.

Please contact the HR department on 01992 624375, or by email at recruitment@generationsmat.herts.sch.uk for further details.

Closing date for applications: 9.00am, Friday 26th April 2024

Interviews: Week beginning 29th April 2024, or sooner for the right candidate

The Trust reserves the right to process applications as they are received, and early applications are encouraged. Previous applicants need not apply.

Generations Multi Academy Trust is committed to the safeguarding and welfare of children and applicants must be willing to undergo child protection screening appropriate to this post, including checks with past employers and the Disclosure and Barring Service.

Please note that this role ‘exempt’ from the Rehabilitation of Offenders Act 1974 and therefore, you are required to declare any convictions, cautions, reprimands and final warnings that are not

'protected' (i.e. filtered out) as defined by the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (as amended in 2013). Further information is available on the school's website.

INFORMATION ABOUT THE DEPARTMENT

ART & PHOTOGRAPHY AT GOFFS

The Department forms a highly collaborative and mutually supportive team of professionals, committed to ensuring that all students are offered a stimulating 'hands on' experience in a wide range of art-related materials and skills. Each student is encouraged to develop their talents and achieve their potential in a safe and supportive environment. We work closely as a team, meeting regularly to review and develop our practice and expertise to meet the needs of our students. As such, the Department is thriving and highly popular, yielding excellent outcomes for students. Both the Academy and the Department actively welcome new ideas, and we look forward to appointing a new Head of Department to both build on current success and to also bring new ideas to our daily work.

Facilities

The Art Department is situated in specialist classrooms in one block at the very front of our school, enabling us to showcase the incredible talent of our students. There are two general Art rooms, plus a specialist Photography room with a space for controlled lighting. There is also a central office and staff resources room. In addition, we have a new kiln housed in a dedicated room.

The department is very well-equipped and owns 10 DSLR cameras and 10 compact 'bridging' cameras, in addition to 3 studio lighting kits and 8 dedicated macro lenses. We also have 20 dedicated networked PCs and a colour A3 inkjet printer. Within the school there is further access to ICT equipment, which is regularly updated, plus colour LaserJet printers, through numerous ICT suites and with a range of packages including Adobe Photoshop.

Curriculum Summary

KS3

- The Key Stage 3 programme of study is specifically focused on introducing a wide range of core art skills and providing opportunities for students to develop their confidence. All projects are linked to artists, craftspeople or designers across a range of art movements
- All Year 7, 8 and 9 students have 2 lessons of Art per fortnight

KS4

- We currently run full GCSE courses in both Fine Art and Photography (Years 10 and 11). Both courses are well established, and students perform extremely well. We currently follow the AQA syllabus which encourages students to develop and evaluate their ideas, discuss their opinions, and take part in peer and self-assessment

KS5

- At Key Stage 5, we offer A Level Fine Art and A Level Photography. Both courses are well-established and yield outstanding results: 100% achieved A*-C in both Fine Art and Photography in 2022. Both subjects are popular with our students; there is always a healthy intake into Year 12
- Over 70% of our A Level Art students progress to Art College to further their studies

Extra-Curricular Activities within Art

As well as our academic curriculum, we offer numerous sessions after school for GCSE and A Level students. We also run a KS3 Art club.

Trips are run throughout the year to support students with their studies.

Towards the end of the summer term, we stage an extensive exhibition of the work that students have produced through the year in the Main Hall. This is run in conjunction with the Design and Technology Department and has also included performances produced by the Drama Department to showcase the incredible and diverse talents of the students. The event kicks off with a gala opening event for invited guests, for which the Food Department produces canapés. The event is very much a highlight in the school calendar.

If you join us, you will have the opportunity to lead a dedicated and supportive team who all share a deep passion for our daily work. If you are a committed and enthusiastic colleague and leader, who shares our vision and ambition, we would very much like to work with you.

The Design & Technology Department at Goffs Academy

Do you want to be part of a collaborative, innovative department with a commitment to providing consistently high standards of learning and teaching for all students?

We have an exciting opportunity to welcome a new member to the team. If you are enthusiastic and committed to providing the very best education for young people, then Goffs is the school for you.

This post offers an exciting chance for a dedicated and outstanding teacher to join our committed team. We are passionate about helping students reach their potential and our exam success within the school reflects this.

We aim for all students to make exceptional progress and acquire the personal skills and aptitudes to thrive. We are committed to planning and developing an exciting and broad curriculum with the broadest possible range of opportunities.

At the heart of this is the delivery of a curriculum which is creative and encourages students to take a risk and try new ways of looking at things by combining materials, techniques and ingredients. We want our learners to be reflective, independent, resourceful, innovative, and resilient - problem solvers who are not afraid to fail.

At Key Stage 3, students are introduced to the principles of Design & Technology through a rich curriculum that offers lessons in Food Technology, Product Design and Fashion and Textiles. The department have developed a series of transition units in Year 10 ensuring that all students are equipped and prepared for the demands of the KS4 curriculum. Schemes of work offer challenge, enjoyment and lend themselves to inspirational teaching.

We aim to inspire all members of the department to continue their professional development and offer excellent opportunities to do so. The school is known for its very high quality and personalised CPD, which supports and actively encourages developing staff leadership skills at all levels of experience.

We work in a collaborative area working alongside other exceptional subjects, which provides an innovative, creative and supportive working environment. We are looking for a teacher who has a passion for learning and teaching offering innovative new teaching ideas and resources. They will work closely alongside the teachers in the Design and Technology department. If you are a committed and passionate colleague who shares our vision, we would very much like to hear from you.

**INFORMATION ABOUT GOFFS
ACADEMY AND THE
GENERATIONS MULTI
ACADEMY TRUST**

INFORMATION ABOUT GOFFS AND THE GENERATIONS MULTI ACADEMY TRUST

Welcome to our information pack about Goffs and the Generations Multi Academy Trust. We are a mixed 11-18 comprehensive Academy with approximately 1,600 students on roll, including a thriving and successful Sixth Form. Our Academy is extremely popular in the local area, with an average of over 800 applications annually for the 240 places available, and significant waiting lists for places across the year groups. On intake our students are of a level of prior attainment significantly above that of the national average. We are, though, a true comprehensive school and welcome a mix of students of all levels of prior attainment.

The school has been awarded the International Schools Award twice, Investors in People status three times, and has Sportsmark Gold and Artsmark Silver. We also hold the Secondary Geography Quality Mark, as well as being a designated Leading Edge School, and chairing the national Leadership Partner School network.

Professional Working and Learning Environment

Our school was among those named as part of a £2billion Government scheme, the Priority Schools Building Programme. As a result, Goffs received a completely new build and facilities, and moved into them in January 2017. The school has further invested in an additional new building, which opened in April 2022, which includes 8 brand-new classrooms, as well as a state-of-the-art fitness centre run by Lifestyle Fitness, with whom we work in close partnership.

This significant investment of funds by the Department for Education is a further recognition of the outstanding work being undertaken by the school, and represents another fantastic opportunity for our community. Our school building provides a light, modern, professional and fit for purpose working environment for all.

The Generations Multi Academy Trust

In early 2016, Goffs Academy received a direct approach from the DfE asking that they consider establishing a Multi Academy Trust and work in partnership with other schools. As a result, the Generations MAT, GMAT, was established from 1st September 2016, with Goffs as the lead school within the Trust. Subsequently, the Trust took over the former Cheshunt School and established Goffs-Churchgate Academy, which is now another thriving secondary. Goffs-Churchgate is a fully mixed comprehensive school from 11-16 years of age, with 605 on the roll. Recognising that not all children thrive in large secondary schools, the Trust made a deliberate decision to offer both a larger and much smaller secondary school for local parents to choose between. As such, the decision to cap student numbers at 600 is entirely deliberate, enabling us to maintain a strong sense of community where everybody knows everybody. Both secondaries enjoy extremely high levels of Year 6 applications, with both being fully over-subscribed. Flamstead End Primary joined the MAT from 1st January 2023, and is

another highly successful, thriving and nurturing community, rated “outstanding” by Ofsted. All of the schools are within close proximity of each other and share many activities, including CPD for staff. One of the Trust’s fundamental principles is that no one school is in any way more important or successful than the other. As such, CPD and other events are rotated through all schools in the Trust, with everyone learning from and sharing with each other. This collegiate and collaborative approach permeates our Trust.

From Spring 2023, the MAT opened nursery provision on the Goffs-Churchgate site, with subsidised and term-time only places for staff. The nursery is run by Ashbourne Nurseries - <https://ashbournedaynurseries.com/>

The MAT is extremely clear about its daily purpose, reflected in its motto of “No Set Destiny for Any Child.” All of our schools, leaders and staff fiercely believe in the life-changing nature of education and work tirelessly to that end, day in and day out. There is no set destiny for any of the children in our care; rather, our daily work across the piece allows children to forge new futures and destinies.

The MAT is extremely financially secure. Finances are overseen by a Chief Finance Officer with considerable financial expertise in the private sector, plus a highly experienced Finance Manager. The Trust deliberately created an Income Generation function, and extensive lettings and business development work now takes place across all sites in the MAT. This additional income – now yielding in excess of £500k per annum – underpins generous levels of staffing at both schools, plus many “extras” that would otherwise be unaffordable in the current funding climate. As one example, all teacher loadings were reduced from 19/20 as a direct result of the additional monies coming into the Trust via this income generation work.

We are looking forward to further widening our Trust and to working in partnership with both primary schools and further secondaries. Further information about GMAT can be found here: <https://generationsmat.com/>

Outcomes

Our strategy for continuous school improvement has had huge success and we are actively committed to ensuring that our very popular and successful school, plus the wider MAT, continues as a centre of excellence in the community.

Exam results in 2023 were another year of huge success for Goffs. GCSE highlights include:

- Student progress outcomes which remain above national average
- 75% of students achieved grade 4 or more in English and Maths and 55% achieved 5 or more in both
- English grade 4/5 or more: 77%/64%
- Maths grade 4/5 or more: 80%/61%
- Percentage of grade 7 or more in all subjects: 29%

Crucially, students were well supported in progressing onto a range of exciting destinations. The majority of Year 11 students have continued their studies in the Sixth Form at Goffs, with all others securing a place in further education or training. 65% of Year 13 students secured a university or college place to start in autumn 2023.

At A Level, continuing the upward trend of recent years, students achieved another excellent set of exam results, including an overall 100% pass rate. The wide range of university or further education courses onto which students have progressed include Law, History, Geography, Maths, Finance,

Physics and Biomedical Science, whilst many other students progressed directly into employment or apprenticeships. Our Sixth Form has an excellent reputation in the local area, over the past three years the numbers of students applying to join our Sixth Form has continued to increase, such that we now have approximately 400 Sixth Formers within our school community.

We are, of course, very proud of these outcomes. Equally, we are clear that they reflect the start of our journey, not the end. As such, we target set in the top 10% of all schools nationally and strive at all times to meet ambitious targets. We are committed to a cycle of continuous improvement and aspiration and are keen to appoint a colleague who shares that vision, determination and a restless quest for even higher outcomes. All of these factors combine to make Goffs a very exciting and rewarding community to be a part of.

Community

Goffs prides itself on its sense of community – both within the school itself, and in the wider locality. Visitors to our school unfailingly comment on a very real sense of community, coupled with warmth and pride. We are members of Cheshunt Extended Services (ChExS), offering a variety of extended school and community based activities for both students and parents. Our students actively support local charity work such as the Isabel Hospice and the Rainbow Trust, and maintain strong links with our local primary schools. In addition, our young Sports Leaders regularly work in primary schools. Goffs runs a 'G-Involved' Volunteering programme, where every Sixth Form student completes 20 hours volunteering during the course of the academic year. Students are rewarded through our annual Pride of Goffs Awards evening.

We firmly believe in every student feeling a strong sense of community and on entering the school, each student is placed in one of four Houses: Eagle, Falcon, Hawk and Phoenix. Each House is led by a team of student House Captains and has a clear sense of identity. Regular competitions and assemblies strengthen this sense of community. Each year the House Captains decide on a possible group of charities to support; students in every year then vote on their chosen school charity. Students within each House then arrange a variety of fund raising events throughout the school year. The House which raises the most money in the year for our school charity is awarded the Charity House Shield. Such work is indicative of Goffs students' ability to empathise with the needs of others, and further develops their capacity to work successfully in a variety of social settings.

We regularly bring visitors from the community into school to work with students, and maintain strong links with our local secondary schools as a partner school in the Broxbourne Partnership. The school building is used for evening, weekend and holiday classes, providing opportunities for a diverse range of users including the Greek School, and local dance and sports groups.

The Goffs Student Leadership Academy actively encourages leadership development through a series of student led groups. We currently have students enrolled in the Leadership Academy from Year 7 to Year 13, with groups including:

- Student Parliament
- Community and Charity Leaders
- House Leaders
- Sports Leaders
- Top Team

The student groups each have a member of Student Parliament who is responsible for coordinating the group and their projects. Students regularly report back on their work and the impact that it is having both in and outside our school community.

A variety of annual school trips give students the opportunities to sample different cultures, whilst an extensive programme of off-site visits provides opportunities for students to experience the diversity that exists within the UK including theatre, galleries and museum visits. Our overseas trips have included Germany, Spain, USA, Czech Republic, Paris, Berlin and Reykjavik, in addition to a student exchange with a school in Beijing, and annual ski trips to countries such as Italy, Andorra or Austria. In addition, we regularly host students from Spain as part of our specialism work.

Goffs is proud to be a truly comprehensive school, with students and staff from different religions and a number of languages spoken in the school. We recognise and celebrate what makes us unique and different, and acknowledge that we are also part of one community. Our aim is for everybody to feel valued and respected and we strive hard to ensure we create a positive culture within the school to enable this to happen.

Care, Guidance and Support

Successful learning takes place when students feel safe, confident, respected and valued, and are engaged. Goffs believes in supporting and nurturing all students in their quest to become successful learners. As such, we place a high value on pastoral care as an integral part of the life of the school.

We promote positive attitudes towards learning and provide a caring and supportive environment

within our community. We were delighted to see Ofsted's comments that "students' behaviour and attitudes are outstanding" and that "students feel very safe, because bullying is extremely rare and they are very confident that any incidents that concern them will be dealt with swiftly and effectively." Continuously nurturing, supporting and developing our students is hugely important to us and significant investment is made in the school's pastoral structures, including our investing in dedicated Learning Mentors for the school.

Staff Development

Goffs has an extremely strong reputation for staff development, across both teaching and support staff. Developing the next generation of school leaders, both middle and senior, and future Headteachers for those who wish to pursue this, is a responsibility that we take very seriously.

We have a full suite of staff leadership development which staff can join be they an ECT or highly experienced colleague, whilst Alison Garner, Chief Executive Officer of the Generations Trust, chairs the national Leadership Partner School network, a group that brings together schools dedicated to developing outstanding leadership skills throughout their communities, and which allows us to visit other network schools, to attend national conferences and to share best practice.

During our most recent inspection, the team described our whole staff CPD programme as "outstanding" and "the best they had seen". In addition to innovative whole staff training, built into protected time within the fortnightly timetable, we disaggregate a number of hours for training every year. This allows staff development to be highly personalised as staff can opt for the training which best meets their needs, including the opportunity to do a research project in partnership with Cambridge University. All staff complete peer observations to observe best practice, and use our Iris camera technology as part of evaluating and improving their own teaching. Many use their disaggregated time to coach others or to receive coaching. Moreover, there are specific training sessions for ECTs and other interested staff which run every Wednesday after school.

We also place a lot of emphasis on 'on the job' training and support. A thorough induction scheme is available to all new staff, and mentors/buddies are assigned to guide you through those new routines. Finally, external courses can of course be booked if, on very rare occasions, we cannot cater for a particular training need in house.

Leadership Development

Goffs Leadership Academy encompasses both staff and student leadership development through a series of student led groups and staff leadership pathways.

All pathways are personalised for the individual and staff receive one to one support from a mentor alongside working on a whole school project. Both support staff and teaching staff are welcome to join the Leadership Academy at any point in their career.

A full suite of leadership training is offered with a range of sessions including:

- What makes a good leader?

- Leadership and staff motivation
- Leading and managing change
- Being a Lead Practitioner
- Strategic pastoral leadership – being a Director of Learning
- Strategic curriculum leadership – being a Head of Department
- Coaching and mentoring
- Using data in leadership
- Resilience in leadership
- How to make your applications stand out

In addition, we encourage aspirant Senior Leaders to take part in the SSAT 'Stepping Up to Senior Leadership' training programme, as well as supporting colleagues to undertake various NPQs (National Professional Qualifications). As part of the school's commitment to develop future leaders, a number of the existing Senior Leadership Team gained experience through an 'Associate' SLT position before gaining substantive leadership posts.

Staff Benefits

Alongside our very strong focus on outstanding professional development and promotion opportunities, we also offer a range of benefits including the following.

Competitive base salary with a tailor made development plan aimed at enhancing your future [earnings] potential through:

- High quality, personalised CPD
- Bespoke leadership development programmes
- Subsidies for Masters and Degree courses
- Secondment and shadowing opportunities
- The potential to work across more than one school across the Trust to develop career-enhancing skills and knowledge

Access to a wide range of health and wellbeing resources including:

- **Employee Assistance Programme** via a market-leader offering a wide range of health and wellbeing resources plus access to counselling for staff and their immediate family
- Occupational Health service providing guidance on managing health conditions in the workplace
